THE GEWANDHAUS ORCHESTRA

The Gewandhaus Orchestra's 2022 Deutsche Grammophon recording of Schubert's late symphonies was widely acclaimed, and the unique sound of this orchestra is an ideal match for Schubert's crystalline musical language. Schubert's Octet is a masterpiece of this ensemble of instruments, which represents a cross-section of the symphony orchestra. It is paired here with his *Six Moments Musicaux* for solo piano, in a new arrangement for octet by composer Hans Abrahamsen, created especially for this performance.
